

DAVID MELLOR

Wedding Present Check List

At David Mellor, one of London's best known specialist shops, we run a highly professional Wedding List service. We have produced a detailed check-list of everything a newly married couple is likely to be needing for all aspects of cooking, eating, entertaining – drawing on our great range of sophisticated modern tableware and kitchenware, including the famous David Mellor cutlery.

This check-list is used as a basis for building up your own selection of presents from David Mellor. Your own completed list is then kept at the shop for your friends and relations to consult.
